

PRIVACY POLICY

1. Introduction

This privacy policy has been created to demonstrate our commitment to the privacy of the users of our websites.

2. Collection and Use of Personal Information

- You can visit Informist without revealing any personal information. We however need certain business and personal information if you wish to purchase our products or register your business in our website.
- We use the requested information to set up your member's account, reply to your inquiries and to provide you with requested products and services. We may also use this information to inform you of new relevant products and services that we may find of interest to you.
- We do not store credit/debit card details or any other personal or business bank details. We use the services of the Stripe Inc for financial transactions on this website. The Stripe privacy policy that governs any transactions using Stripe services is available from www.stripe.com
- We will not share your information with any third party organisation or individual.
- We will not hold any of your financial information including debit/credit card data and bank account details.

3. Collection and Use of Non-Personal Information

Informist automatically receives and records non-personal information on our server logs from your browser including your IP address, cookie information and the pages you requested. We do not connect this non-personal data to any personal information collected from you whilst we may use it for our own marketing analysis. Information Sharing and Disclosure.

4. Information Sharing and Disclosure

We reserve the right to disclose your personal information in the following cases:

- When we have your recorded consent to share the information for a specified purpose.

- When we are required to disclose the information by law, court orders or such other legal process.
- We need to protect the personal safety of other users of our websites or defend the rights or property of Informist.
- When we judge that your actions on our websites violate our Terms of Use document or other such guidelines published in our website.

5. Consent

If you do not consent to the collection, use or disclosure of your personal information as outlined in this policy, please do not provide any personal information to Informist. If you have provided personal information to Informist and no longer consent to its use or disclosure as outlined above, please notify us in writing.

6. Security

Unfortunately, no data transmission over the Internet can be considered 100% secure. We however use industry-standard SSL-encryption to protect sensitive and crucial data transmissions such as financial data.

We also safeguard your personal information from unauthorized access, through access control procedures, network firewalls and physical security measures.

7. Changes to our Privacy Policy

Informist may at any time, without notice to you and in its sole discretion, amend this policy from time to time. Please review this policy periodically. Your continued use of Informist websites after any such amendments signifies your acceptance thereof.

8. Enquiries

If you have an enquiry or suggestions about our privacy policy, or your own personal information, please e-mail us at info@Informist.co.uk
